On behalf of Informa Markets in India, I am delighted to welcome you to the 12th edition of INMEX SMM India Expo in its full offline format.

Maritime transport is the most economical and sustainable way to transport large goods throughout the world. Today, around 90% of world trade is carried by the maritime industry, and it handles around 70% of India's trading in terms of value. Moreover, India is a strategically located country with a coastline of approximately 7517 km. The Maritime India Vision that our Hon'ble Prime Minister launched in 2021 has identified over 150 initiatives to boost the Indian Maritime and Shipping sector. The vision serves as a blueprint to achieve an accelerated and coordinated development of India's diverse maritime sector. Backed by massive reach and know-how in the Indian market, Informa Markets in India and Hamburg Messe und Congress are honoured to have the opportunity to serve the shipping and maritime sector and highlight challenges and opportunities for the growth of the sector.

The three-day expo held between 1st – 3rd June 2022 at the Jio World Convention Centre, BKC, Mumbai is a platform for global manufacturers and suppliers to showcase their state-of-the-art products to the South Asian maritime market with over 100 brands. The congregation will also witness seminars and discussions on topics such as smart shipping & decarbonization, shipbuilding, creating right ecosystem, marine Insurance in India, port opportunities, and many more to transform the maritime and shipping sector in India.

Attendees to the three-day event will benefit from the multiple business opportunities existent within shipbuilding, shipyards, fittings and equipment, cargo handling systems, electrical engineering/electronics, technology, ports and port technology, ocean engineering, offshore marine technology, naval weapon systems and dredging to facilitate exposure of domestic and international players to the Indian market.

We sincerely thank our associations - Indian Register of Shipping, Institute of Marine Engineers (India), National Maritime Foundation, Indian Port Association, Indian National Shipowners Association, ICC Shipping Association, Maritime Association of Nationwide Shipping Agencies, Foreign Owners Representatives & Ship Managers Association (FOSMA), Association of Multimodal Transport Operators of India (AMTOI), Maritime Training Guild, and Konkan Maritime Cluster for their unstinted support.

I would like to wish all the exhibitors and visitors at INMEX SMM India, an unparalleled experience and a successful show!

Yogesh Mudras

Moin" from Hamburg to everyone in Mumbai – from one great trading centre to another, each with a port that is among the most important on their respective continent.

We are very much looking forward to INMEX SMM India, to be finally held in Mumbai from 1 to 3 June 2022. We are glad that the physical show will provide participants with all the networking opportunities that we all missed so much in the past pandemic years. We, as Hamburg Messe und Congress, are fully convinced that the fair will be a big success and will add important value to the

international maritime industry.

The whole SMM team and I thank our partners from Informa Markets for their excellent spirit of cooperation that we have been enjoying since day one of our partnership.

We wish you all a successful event, good business and networking opportunities, interesting presentations and insightful discussions.

We would also like to take this opportunity to invite you to visit us at SMM 2022 in Hamburg, which will be held from 6 to 9 September.

We look forward to seeing you!

Arun Sharma
Executive Chairman

Message

INMEX SMM India is an important event for maritime sector in India and is the largest maritime exhibition in South Asia. Indian Register of Shipping (IRClass) is pleased to be an 'Industry Partner' of this event. We also welcome industry professionals and companies participating in the event.

The Indian maritime industry is evolving continuously and event like this helps in this cause by facilitating networking between various industry stakeholders.

I would like to extend my best wishes to the organizers, exhibitors, visitors and delegates and wish it all success

Arun Sharma

I congratulate Informa Markets in India and Hamburg Messe Und Congress for successfully organizing the 12th edition of INMEX SMM India.

The pandemic created havoc with the global economy and India was no exception with its economy experiencing substantial degrowth in 2021. Fortunately for mankind, the pandemic seems to be on the wane and the economies are slowly bouncing back to the pre-pandemic level. Most of the industries including maritime and logistics are considered to be knowledge industries, where sharing of experience and expertise is considered to be vital. Events like INMEX SMM India provide a much-needed platform for such sharing of experience and expertise and facilitate business networking and learning opportunities. Thus attending INMEX SMM India will provide a philip to all the participants for their business.

I sincerely wish the organizers of the longest-running maritime exhibition great success. I am sure the event will be beneficial to all the stakeholders of the maritime community.

I sincerely look forward to seeing you at the event in Mumbai. Thank you very much!

Mr Sabyasachi Hajara
Chairman- Advisory Board INMEX SMM India
Former CMD, Shipping Corporation of India

Industry Message

I welcome you all to the 12th edition of INMEX SMM India.

INMEX SMM India is a leading event that helps maritime companies and professionals to explore innovative products and technologies for various applications in shipping and ports through its three-day exhibition. In addition, the event promotes knowledge-sharing through a two-day conference that involves top industry thought leaders as its speakers.

I wish the organisers and participants of the Exhibition and Conference all the very best

Dr Malini V Shankar, IAS (Retd)
Vice Chancellor, Indian Maritime University
& Chairperson, The National Shipping Board, Government of India

MESSAGE

INMEX SMM India is an important maritime business event in South Asia that is held once in two years in Mumbai.

The exhibition helps the maritime community to explore new products and cutting-edge technologies required to increase efficiency in maritime operations. In addition, the two-day maritime conference that is held along with the exhibition helps in understanding new trends and pressing issues that the maritime industry is facing.

The event is an excellent platform to network with Indian and international industry leaders and to build long-term business relationships

The Company of Master Mariners of India (CMMI) is a professional body representing Master Mariners with the objective of developing and promoting professional knowledge and the traditions & standards of the Mercantile Marine in India. We are very proud to state that CMMI is the only body of its kind in India with 18 Chapters (branches) across India and abroad with over 3600 Members. Our Members are placed in various high ranking positions within the Shipping Industry all over the world.

On behalf of all the Members of CMMI, I take this opportunity to wish the Organisers and participants of the Exhibition and Conference all the very best.

With Best Wishes

Capt. Birendra Kumar Jha
Master/ Chairman
The Company of Master Mariners of India

It gives me great pleasure to see the 12th Edition of INMEX SMM India, South Asia's Largest Exhibition and Conference which is organized jointly by Informa Markets in collaboration with Hamburg Messe und Congress, from 1-3 June 2022. I commend INMEX SMM India along with the organizers, exhibitors and supporters for their valuable contribution to the Indian Shipping and Maritime sector over the years. I wish INMEX SMM success in their endeavors to improve the networking platform, to create new business opportunities related to new technology products and services for the industry leaders, key decision makers and government agencies, whilst providing updated technical lectures for the benefit of the maritime fraternity.

On behalf of the The Institute of Marine Engineers (India) I wish INMEX SMM India and its organizers the very best for a fruitful and meaningful Exhibition and Conference. The Institute of Marine Engineers (India) is happy to continue its support to INMEX SMM India thorough its 11,000 Maritime professionals along with publications in its Journal - Marine Engineers Review (MER).

Mr Vijendra Kumar Jain
President – The Institute of Marine Engineers (India)

It's a pleasure to note that South Asia's largest Maritime exhibition and conference, INMEX SMM India, is being held on 1st to 3rd June 2022 in

Mumbai. ICC Shipping Association (ICCSA- a representative body of Indian domestic ship owners and operators) is pleased to be associated with the event which has become a brand in the maritime industry. ICCSA is glad to note that the event, as always, is focussing on all key segments of the industry including ship building, port infrastructure, smart shipping, marine technology, etc.

ICCSA would like to extend its best wishes to the organizers, exhibitors and the participants.

10.15-11.30

Inaugural Session

Welcome Address

Mr. Yogesh Mudras, MD, Informa Markets India

Mr. Andrew Williams, Executive Vice President, Informa Markets

Mr. Bernd Aufderheide, President and CEO, Hamburg Messe und Congress GmbH

Mr. Sabyasachi Hajara, INMEX SMM India Advisory Chair & Former CMD, Shipping Corporation of India

Special Address

- **Hon. Mr Arne Jan Flølo**, Consul General, Royal Norwegian Consulate General, Mumbai
- **Dr Malini V Shankar**, Vice Chancellor, Indian Maritime University and Chairperson, National Shipping Board, Government of India
- **Chief Guest Address Dr Sanjeev Ranjan**, IAS, Secretary, Ministry of Ports, Shipping and Waterways*

Session 1

11.45-13.00.

Commercial Shipping – Trends and Impact (Panel Discussion)

- A new normal may be unfolding
- Disruption in supply chain due to lack of capacity, geopolitical tensions and pandemic-related delays
- UNCTAD reports say the current surge in container freight rates could increase global import price levels by 11% and consumer price levels by 1.5% between 2022 and 2023 and affect short- and medium-term economic recovery
- Other trends include expensive bunker oil, raised insurance premium, rise of automation, sustainability
- How will businesses adapt and face the challenges?

Speakers

- **Capt. Deepak Tewari**, Managing Director, MSC Agency (India) Pvt. Ltd
- **Mr. Atit Mahajan**, Managing Director, CMA CGM India
- **Mr Suresh Kumar R**, CEO-India, Allcargo Logistics Ltd
- **Mr. Jagmeet Makkar**, IME(I) Chair, Indian Maritime University & Chairman, Institute of Chartered Shipbrokers, Hong Kong Branch
- **Mr. Chris Hayman**, Chairman Emeritus, Seatrade Maritime, Informa Markets. (Moderator)

13.00-13.45 Lunch Break

Session 2

13.45-14.45

Ship Building: Creating the Right Eco-System (Panel Discussion)

- A strong shipbuilding industry, commercial Shipping, efficient ports, ocean-going fishing fleet and ability to exploit seabed resources are critical for a nation's sea power. India's failure to bring focus on the shipbuilding element of its maritime sector represents a missed opportunity.
- Creating the right eco-system through government policies, progress of coastal shipping, strong forward and backward linkages, assembly-line productivity
- Indian shipbuilding industry can cater to domestic markets, global markets and Indian defense.

Speakers

- **Mr Hrishikesh Narasimhan**, General Manager, Larsen & Toubro Shipbuilding Ltd
- **Mr Arjun Chowgule**, Executive Director, Chowgule Group
- **Mr Nijoe Joseph**, Partner, Stephenson Harwood Middle East LLP
- **Shri Bhushan Kumar**, Joint Secretary, Ministry of Ports, Shipping and Waterways*
- **Mr. Jyotisman Dasgupta** – President, Institution of Naval Architects (Moderator)

Session 3

14.45-16.00

Smart Shipping + Decarbonization (Presentation)

- Rising sea levels, tropical storms, floods, drought and extreme heat can lead to infrastructural damage, not least at ports, to such an extent that the industry risks losing up to USD 25bn per year by the end of the 21st century
- Smart Shipping and sustainability can make the maritime sector more competitive and attractive.
- Vessels can make better use of waterway capacity by adapting their speed and receiving more accurate navigational data. With Smart Shipping technologies, ships can save fuel and money and sail more sustainably.
- Maritime Intelligence 4.0

Speakers

- **Mr. Sanjay Verma**, Director Decarbonisation Solutions, Wartsila Singapore Pte Ltd
- **Mr. Pradeep Chawla**, Chairman at GlobalMET, Managing Director, QHSE and Training, Anglo-Eastern Ship Management Ltd
- **Mr. Pawan Kapoor**, MD, ISF Maritime Services Pvt Ltd (Session Chair)

16.00-16.20 **Tea Break**

Session 4

16.20 - 17.20

Inland Waterways- A Rich Potential, Opportunities and Challenges (Panel Discussion)

- Despite having an extensive network of inland waterways in the form of rivers, canals, backwaters and creeks, freight transportation by waterways is highly under-utilized
- Waterways currently contribute around 6% to India's transportation modal mix, which is significantly less than that in developed economies and some of the developing economies as well.
- Opportunities in NW1 and NW2

Speakers

- **Mr. K. K. Dhawan** – Vice President, Indian Register of Shipping
- **Mr. Anil Kishore Singh**, CEO at Adani Dredging & Inland Waterways
- **Captain Ashwin Solanki**, Chief Nautical Officer, Gujarat Maritime Board
- **Captain D C Sekar**, Director, AlphaMERS Ltd
- **Captain Rakesh Singh**, MD, A-Sree Shipping and Trading Private Ltd & Hon Secretary, Indian Coastal Conference Shipping Association (ICCSA) (Moderator)

End of DAY 1 Conference

AGENDA DAY TWO – 2nd JUNE 2022

Session 1

11.00-12.00

Responsible and Resilient Supply Chain & Logistics (Panel Discussion)

- Supply chain resilience important if India wants to be a dollar 5 trillion economy
- Government should come up with a strong action plan and give this industry strategic importance. Indian flag ships, robust container shipping per se manufactured and owned in India
- Responsible supply chain to include Ports, Trains, Trucks, IT Infrastructure
- A resilient supply chain can help companies identify and sidestep risks that are avoidable and bounce back quickly from those that aren't
- Socially responsible supply chain management can help create, protect, and grow long-term environmental, social, and economic value for stakeholders

Speakers

- Mr. J. Krishnan, Partner, S Natesa Iyer Logistics LLP
- Mr. Umesh Grover, Secretary General, Container Freight Station Association of India
- Mr. Anshuman Neil Basu, Director, SCM Programs Private Limited, India Coordinator, City of Osaka & Global Environment Centre Foundation Japan, Secretary General | Association of Supply Chain Professionals, India
- Dr. Hema Date, Dean Student Affairs & Placements, Professor - Analytics and Data Science; Coordinator Center of Excellence in Logistics & SCM, National Institute of Industrial Engineering
- Mr. Shantanu Bhadkamkar, MD, ATC Global Logistics Pvt Ltd, Former President, Association of Multimodal Transport Operators of India (Moderator)

CONFERENCE AGENDA

Session 2

12.00-13.00

Port Opportunities: Investment, Collaboration and Communication (Panel Discussion)

- A new era in technology and innovation
- Port modernization, port connectivity, industrial connectivity, community development, skill development
- Port Development as a catalyst for sustainable growth
- Mega ports creating an eco-system, allowing for economies of scale and export import competitiveness

Presentation- Cdr Thomas Philip (Retd) , India Manufacturing & Logistics Strategic Account Manager, Dassault Systemes India Pvt Ltd

Speakers

- **Mr. Vinit Kumar**, Chairman, Syama Prasad Mookerjee Port, Kolkata
- **Captain Ram Iyer** , Representant Inde HAROPA
- **Mr. Sharad Sarangadharan**, Head Business Development Department , Gujarat Maritime Board
- **Captain Sandeep Mehta**, President Adani Ports & SEZ
- **Cdr Thomas Philip**, (Retd) India Manufacturing & Logistics Strategic Account Manager, Dassault Systemes India Pvt Ltd
- **Mr. Raj Khalid**, Ex India Rep for APEC and PAI (Moderator)

13.00-14.00 Lunch Hour

Session 3

14.00-15.00

Marine Insurance in India - Way Forward

- As India looks to develop a robust marine insurance sector, challenges include lack of liability insurance capacity and sector specific expertise
- Cargo and Hull marine insurance pain points identified by the users and the road ahead?
- Ports and terminals are properties that fall into 'Wet' properties. As most property treaties exclude wet properties, how challenging is that for capacity building?
- Analysing capital deployment, premium generation and the reinsurance support
- Growth in this area depends on the development of the entire ecosystem including knowledge and expertise. What is the way forward?

Speakers

- **Mr. Bhabani Sankar Rath**, MD, Premier Insurance Brokers Ltd
- **Mr. Anthony W.J. Fernandez**, Consultant Adjuster of Averages, Maritime Operational Risk Management Advisor, Visiting Professor – PG Program on Marine Insurance Law – World Maritime University
- Visiting Professor – PG Program on Marine Insurance Law – World Maritime University **CV Subbarao**, MD, Sanmar Shipping Ltd
- **Mr. David Piesse**, CEO DP88 and Advisory Board of Guardtime
- **Mr. Dipesh Shah**, Executive Director (Development) at International Financial Services Centres Authority
- **Mr. Jagmeet Makkar**, IME(I) Chair Indian Maritime University Chairman, Institute of Chartered Shipbrokers, Hong Kong Branch (Moderator)

Session 4

15.00-16.00

Environment & Maritime Social Responsibility. (Presentation)

- ESG goals
- Studying the viability of alternative fuels and new energy sources
- Analyzing decarbonization pathways and the impact of seaborne trade growth and IMO targets
- Using digital technology to simplify transactions and increase operational efficiencies
- Assisting companies in their journey to ESG excellence

Speakers

- **Mr. Vinay S Kshirsagar**, Chief Financial Officer, Indian Register of Shipping
- **Mr. Conor Furstenberg Stott**, Partner, Furstenberg Maritime Advisory
- **Mr. Jagmeet Makkar**, IME(I) Chair, Indian Maritime University
Chairman, Institute of Chartered Shipbrokers, Hong Kong Branch

16.00 – 16.20 Break

Session 5

16.20 – 17.30

Technology Adoption & Innovation in Maritime Sector

- Approach for Fatigue Assessment for Life Extension of Ships: - **Mr. Ankit Ghosh**, Manager-Structure Design, Vedam Design
- Fuel Cell – Safety & Reliability: **Mr. R. Srinivas**, Vice President and Senior Principal Surveyor, Indian Register of Shipping.
- Control of Maritime Emissions and Safety of Manoeuvrability.: **Mr. Apurba Kar**, Consultant Naval Architect.
- Simulations in Ship Design: **Dr. V Bharatwaja Srinivasan**, Scientist F, NSTL, DRDO Vishakhapatnam.

Description -The odyssey of GRSE, began in 1884, when it started its journey as a small workshop to repair vessels of River Steam Navigation Company. During the Second World War (1939-45) the Company made its mark in carrying out construction, conversion and repair of 4000 merchant & naval vessels. It was taken over by the Government of India in 1960. GRSE, then known as Garden

Reach Workshop Ltd, was the first shipyard of independent India to build a Seaward Defence Boat (SDB) INS Ajay and delivered the same to the Indian Navy in 1961, within a year of being taken over. The In-House Design & Construction of "CGS Barracuda" - the First ever Export Warship of India, has been yet another feather in the cap of GRSE. Conferred as a Miniratna Category I Company in the year 2006. GRSE's primary role has been building warships and other vessels for the Indian Navy and the Indian Coast Guard. GRSE has built 788 platforms which include 107 warships to Indian Navy, Indian Coast Guard & Government of Mauritius and Seychelles which is highest number of warships built & delivered by any shipyard in the country.
